# Alumni Speak

Those glorious years I spent in the course helped me get prepared to face challenging situations in both personal and professional front. It helped me immensely to put right direction to my efforts to be a successful professional.

**Ketan Chaudhari**  
MBA(Pharma Tech) 2014  
Senior Marketing Head, Cipla Ltd.

SPTM helped me build the confidence and leadership skills required to lead my family business. Especially the all-round development including soft skills and people management skills learnt during managing the corporate and cultural fests has given me an insight into how I can implement these skills in my organization.

**Utkarsh Arora**  
MBA(Pharma Tech) 2016  
Third generation entrepreneur, Gorang International - India

Leading execution and origination of commercial due diligence and strategy consulting mandates in the Life Sciences sector. My Life Sciences-focused role and confidence of serving top-tier global private equity firms and market-leading franchises across the sector instilled from my domain expertise, which was developed at NMIMS. The Brand helps in instilling client confidence, trust and faith!

**Vasundhara Tadepalli**  
MBA(Pharma Tech) 2014  
Vice President, EY Parthenon

I became more confident in expressing my own opinion, and moreover started seeing the big picture in all situations, which enabled me to think and act strategically.

**Mr. Mohit Hegde**  
(M. Pharm + MBA) 2014  
Product Manager, Glenmark

It was the 3 years of presentations, chai pe charcha, faculty interaction etc, which prepared me to successfully step into the Pharma industry and have a successful journey.

**Mr. Manthan Davda**  
(M. Pharm + MBA) 2015
